***Re: New England Compounding Center Litigation, MDL No. 2419 – Subpoena Issued  
to Southeast Michigan Surgical Hospital***

To Whom It May Concern:

My name is Jennifer Frushour. I am an attorney with The Miller Law Firm, and I am working with Marc Lipton, of Lipton Law, a member of the Plaintiffs' Steering Committee for the New England Compounding Center Litigation, and Robert Sickels, of Sommers Schwartz, vice-chair for the PSC's Michigan Sub-committee, on the above referenced matter.

I am writing in regard to the subpoena issued to Southeast Michigan Surgical Hospital on June 21, 2013. Please be advised that the PSC is solely seeking Southeast Michigan Surgical Hospital's documents at this point. As such, if production is substantially completed by the date and time provided on the June 21 subpoena, then Southeast Michigan Surgical Hospital need not appear to testify on this date.

Thank you for your continued cooperation in this matter, and please contact me if you have any further questions.

Very truly yours,

**THE MILLER LAW FIRM, P.C.**
